ShaikSure Private Car Package Policy - General Exclusions

ShaikSure Motor Insurance is a fictional company. This document was created for a portfolio project and is not a real insurance policy.

Section 7 - General Exclusions

ShaikSure will not pay for any claim in the following situations:

7.1 **Alcohol or drugs.** Loss or damage while the vehicle is driven by a person under the influence of alcohol or drugs.

7.2 **No valid licence.** Loss or damage while the vehicle is driven by a person who does not hold a valid and effective driving licence for that vehicle class.

7.3 **Use outside limitations.** Use of the vehicle for hire or reward, racing, rallies, pace-making or speed testing, which a private car policy does not allow.

7.4 **Wear and tear.** Normal wear and tear, rust, mechanical or electrical breakdown, and failures not caused by an insured event.

7.5 **Water damage to the engine.** Damage to the engine or gearbox caused by water entering the engine, including hydrostatic lock from driving or attempting to start the vehicle in water, unless the Engine Protect add-on is active.

7.6 **Aggravated damage.** Additional damage caused by driving the vehicle after an accident before it is repaired.

7.7 **Unendorsed CNG or LPG kit.** Fire or explosion arising from a CNG or LPG kit fitted after purchase that is not endorsed on the policy. Factory-fitted CNG kits are covered.

7.8 **Keys left in the vehicle.** Theft of the vehicle when the keys were left in or on the vehicle, or when the vehicle was left unlocked.

7.9 **False information.** Any claim that is fraudulent, exaggerated, or supported by false documents or statements. Such a claim will be rejected and the policy may be cancelled.

7.10 **Outside the policy period.** Any loss that happens before the policy start date or after the policy end date, or while the policy is lapsed or expired.

7.11 **Tyres and tubes.** Damage to tyres and tubes alone, unless the vehicle is damaged in the same incident. Deliberate cutting of tyres by others is treated as malicious damage under Section 3.5.

7.12 **Consequential loss.** Loss of use, taxi or rental charges, and any loss that is not direct physical damage to the vehicle.

7.13 **Personal belongings.** Theft or loss of personal items such as laptops, phones, bags or cash kept in the vehicle. Only factory-fitted or declared accessories are covered.

7.14 **War and nuclear risks.** Loss caused by war, invasion, acts of foreign enemies, or nuclear material.
